

Thursday March 19 MHA 5623

08:30 Rob Foreman Estimating mutual information

09:00 Animesh Gupta Information processing and signal integration in bacterial quorum sensing

09:30 Dave Vidmar Reaction–diffusion model of hair-bundle morphogenesis

10:00 Youbin Mo Information theory and neural coding

10:30 Forrest Sheldon Experimental Observation of the Role of Mutual Information in the Nonequilibrium Dynamics of a Maxwell Demon
